So far as I know, it's correct. I spoke to Steve and he said the same thing. Of course I am not involved in internal union matters.

Cris,

I have no responsive emails. I took me 45 minutes to conduct a thorough search.

Also, if the Agency conducts its own search and believes it has found some responsive documents, I request you notify me and show me the documents before releasing any documents, so I have an opportunity to assert any exemptions applicable to my office as President of AFGE Local 3428.

Thank you,

Steve Calder

A number of you have received (or may receive) a FOIA request from Allan L. Blutstein (America Rising) request employee in your office that mention Scott Pruitt, Donald Trump, or other public officials. It appears that they may be union officials.

You should handle these requests as you normally would, keeping in mind advice from GLO/ILPG that union-FOIA. If it is from union to Agency or Agency to union, then it is subject to FOIA.

Please let me know if questions.

Thanks,
Becky
